To Whom It May Concern:

Please accept this letter as a recommendation for Shawn King and his IT firm, Web World. We were recommended to Shawn by one of our employees and it was one of the best things to happen to our organization. We hired Shawn to move our various web sites to a new hosting organization and take over our regular maintenance tasks. He handled all with speed, efficiency, professionalism, and grace.

He continues to handle our IT chores and is in the process of upgrading and integrating our web sites and donor portal. We are highly satisfied with his workmanship, technical knowledge, and responsiveness to our various needs. He has also become a valued resource referring us to other top-notch vendors, knowledgeable in the non-profit space.

Sincerely,

Bruce Dillon
Treasurer
